

# Nationalism: Activities

## Comparing different forms of nationalism (AO1, AO2)

The first column in the table below outlines a variety of perspectives that can be linked to different forms of nationalism. Read the information carefully and then try to decide which of the nationalist traditions listed in the table is most closely linked to the perspective (tick the appropriate box). To finish, give a reason to explain your choice in the last column.

In some cases, you may feel that some of the perspectives can be linked with more than one nationalist tradition. If you come to this conclusion, remember to explain why in the last column.

<b>Perspective:</b> All of the world's nations are equal in status and therefore have an equal right to national self-determination.
